The Honorable Dudley Spade, Chair  
House Appropriations Subcommittee on DHS  
Michigan House of Representatives  
Lansing, Michigan 48933

Dear Senator Hardiman and Representative Spade:

Section 274 of 2006 Public Act No. 345 (Enrolled House Bill 5796) requires the Michigan Department of Human Services (DHS) to report on "each federal grant this state was eligible to apply for, listing both grants applied for and not applied for . . . [covering] grants exceeding \$100,000, related to fatherhood and marriage initiatives, teen pregnancy prevention, kinship care, before- and after-school programs, family preservation and prevention, homeless prevention, and youth in transition."

Please accept the attached screen print from our new Web-based discretionary grants tracking system as our report for fiscal year 2006. The system went live in late April 2006 and, since this time, has helped house, disseminate and track the department's activity on the discretionary grant opportunities released daily by the 26 federal grant making agencies on grants.gov. Some highlights of the grant opportunities for which we were eligible to apply during the period from the system's inception through October 1, 2006 include:

- 12 grant opportunities exceeded \$100,000 and related to the Legislature's interests.
- DHS applied for seven of these grants and helped an external agency apply for an eighth.
- Of these eight, two were awarded, one is still pending, and five were denied.
- Three of those for which we did not apply had an inadequate fit with our work. The fourth required internal collaboration that we were too rushed to execute last cycle. This cycle, we are collaborating in advance of the release of the grant opportunity.

If you have any questions please contact Lisa Brewer-Walraven, Federal Liaison and Policy Advisor, at (517) 373-4116.

Sincerely,
